

21st November 2022

Dear Parents,

Upper Four - Geography Fieldtrip

Please be advised that we are taking the Upper Four to St Peter Port on Thursday, 1st December to complete Geography fieldwork in an 'urban' setting. We will depart from school at 11:15 and return to school before 14:30. The students will be walked to town and then in groups of 4 will be expected to undertake fieldwork in St Peter Port.

During the visit, it is appropriate to remotely supervise students. During these times we will expect that the students: stay within the boundaries of the area identified by the visit leader; return by the time agreed and at the location agreed; remain in their buddy groups at all times; should they become lost, they should stay together until the staff locate them. Students will also be expected to check in with staff at regular intervals.

Students will be expected to manage their own time to include a lunch stop. They will be able to buy lunch if they bring some money or they are able to take a packed lunch with them on the day.

Students should remain in school uniform (as school shoes should be suitable to walk into town and back) and they should bring a coat depending on the weather. Some students have a netball fixture after school, these students should change into PE kit prior to the trip so that they do not delay the start of the match.

If you should have any questions about the trip please contact Ms Ace-Hopkins (sacehopkins@ladiescollege.ac.gg) or Mr McGovern (tmcgovern@ladiescollege.ac.gg).

Yours sincerely

Serena Ace-Hopkins

Ms S. Ace-Hopkins
Head of Geography
