

ELIZABETH
COLLEGE

Sixth Forms in Partnership

Dear Students and Parent(s) / Guardian(s),

The timetable for the Lower Sixth / Year 12 Mid-Term Assessments (MTAs) is now available. For Elizabeth College students it has been uploaded into Firefly and a link has been shared. For The Ladies' College students, the details have been put onto Teams.

MTAs are designed to take place during the lesson. The timetable has been created to ensure that students do not have too many assessments on one day.

The class teacher will share an overview of the assessments and the preparation required. The intention is to provide students with common feedback on their progress, based on A-level assessments, at the halfway stage of their first year of A-levels which is then used to set targets and support future progress.

Results from MTAs will be shared with students and published to parents on Thursday 16th February at the start of Lent half term. General progress and engagement will be reported at the end of the Michaelmas term.

With kind regards,

J Dittmar
Head of Sixth Form
Elizabeth College

E Clements
Head of Sixth Form
The Ladies' College

Lower Sixth / Year 12 MTAs 2022/23					
		08:30 AM or 09:35 AM	11:00 AM	1:25 PM	2:30 PM
