Dear Parents and Guardians

Upper Four Interim Reviews

Your daughter's second Interim Review is now available for you to view on the Parent Portal. Please refer to the College ParentPortal webpage or email portal@ladiescollege.ac.gg if you have any difficulties. <http://www.ladiescollege.com/information/communication-to-parents#portal>

A copy of the Interim Review guidelines is attached. Please be reminded that our reporting system has undertaken some changes this year, and will therefore use different language and descriptors. If you have any queries or concerns about the format, please do contact Mr. Barnes.

If you have any matters that you would like to discuss as a result of your daughter's Interim Review, please contact the subject teacher if there is a problem within a single subject; or your daughter's form tutor or myself if you have concerns in regards to a number of subjects. I would also encourage all students to engage in meaningful conversations with their teachers, who will be happy to discuss any concerns raised. However, please be assured, where "working towards" has been identified, I will already be looking at measures to further support your daughter in College.

Girls On Board

The Ladies' College is a "Girls On Board" school, which means we are dedicated to supporting our students navigate the sometimes choppy waters of teenage friendships. As part of the "Girls On Board" approach, Upper Four have started exploring the language and dynamics of friendship groups within assemblies and Form time. I am hopeful, that with greater knowledge of friendship behaviours, we can empower the students to take control of the often complex dynamic of female friendships.

If you would like further information on the "Girls On Board" approach, or access to the parent handbook, please follow this link: <https://www.ladiescollege.com/information/pastoral-care>

We look forward to seeing you in person at next term's GCSE Options Evening and thank you for your continued support ensuring your daughter remains happy and healthy.
