

December 2022

Dear Parents and Guardians

We have come to the end of a long term full of activity and outstanding performances across academic, sporting, and co-curricular activities. We have been very pleased by the progress made and the commitment shown by our Sixth Form students throughout this first term of the academic year, as they have adjusted to new demands and expectations. It has been a pleasure to hear updates from the Young Enterprise teams and the Moot competition. Next term brings more exciting opportunities, namely IOD Leadership Shadowing, preparations for Work Experience, and the third stage of the new Sixth Form PE programme, *Healthy Body, Healthy Mind*, which offers a range of activities including indoor tennis/padel.

### Lower Sixth Progress Review

A copy of your daughter's Progress Review is now available on the Parent Portal.

- Projected Grade based on current performance (a first judgement of where the student might 'land' in summer 2024 if current performance continues unchanged)
- Attendance concerns (Yes/No)
- Target Grade, an aspirational, yet achievable target for the final grade in summer 2024
- Target for improvement (added where necessary)

**\*These headings will be answered with a number**

**1 = Good, 2 = Satisfactory, or 3 = Needs to improve**

### Dates for your diary

The Lower Sixth students are currently completing mid-term assessments during lesson time. The results of which will be sent home before **Parents' Evening on 1<sup>st</sup> March 2023**.

As always, if you have any queries or concerns about any aspect of your daughter's education, please do contact a member of the Sixth Form pastoral team. It has been a busy term and the students are due a break. We wish you all a wonderful Christmas and look forward to welcoming the students back, rested, in the New Year.
