This week we consider:

Enduring friendship

Facebook picture of the week:

The Duke of Edinburgh's Award is a big part of co-curricular life at The Ladies' College. The vast majority of our students take part at Bronze level with many progressing to Silver and Gold.

In 2022, 40 girls completed their Bronze Award, 20 completed their Silver and seven completed their Gold. This week we were able to celebrate the phenomenal achievements of our recent Gold participants. We would like to congratulate alumnae Sophie, Katrina, Elsie and Ellie who were presented their Gold awards by the Lieutenant-Governor at Government House. Alex, Tia and Pia also achieved their Gold awards but were unavailable for the presentation. The hard work and dedication shown by these students in achieving such a prestigious award is truly admirable.

Don't forget to book your tickets for the Jubilee Ball - a couple of 12s are still available to book, otherwise all tables of 10 persons.
