## Facebook pictures of the week:

We were delighted to be able to host our GCSE and A-level certification presentation evening yesterday. It was really good to welcome back alumnae who have left for further education in addition to our Lower Sixth students and to celebrate everyone's exam success.

**Thank you...**

to everyone who donated to the PTA Christmas Raffle, to those of you who attended College events this week and to all for sending in donations for Project Sparkle.

**Don't forget to book  
your tickets for the  
Jubilee Ball - a couple  
of 12s are still  
available to book,  
otherwise all tables of  
10 persons.**
