

3rd February 2023

Dear Parents and Guardians

The De Putron Challenge is an annual quiz for schools across Guernsey and Jersey with competitions for Year 6, Year 8 and Sixth Form students. This year the competition for Year 8 (our Lower Four) will take place at Beau Sejour on **Wednesday 8th March** from 2pm. We have a team of 3 students representing The Ladies' College at this event and will be taking the rest of Lower Four as supporters to cheer on our team!

We will walk down to the competition after lunchtime registration, therefore please ensure your daughter has appropriate clothing for the weather.

The event is due to finish at Beau Sejour at 4.15pm from where your daughter should either be collected or could make her own way home. We request that you complete the form attached to inform us which option she will be taking.

Please confirm you are happy for your daughter to attend the event during College hours and complete the form in this link: <https://forms.office.com/e/6D3A5MbVb5> Please can this be completed by 16th February 2023.

GDPR

We will be taking photos at this event which may be used in our College publicity/social media posts. We already hold a list of students whose image we are not permitted to use in school media posts and publicity. Should you wish your daughter to be added to this list you should contact the Registrar registrar@ladiescollege.ac.gg

Orchard PR would like to use images from the event for their corporate publicity and a separate consent form is attached for this purpose.

Yours sincerely

Carrie Gribbens

Mrs Carrie Gribbens
Lower Four-Year Co-Ordinator
