This week we consider: **Science Week**

Facebook picture of the week:

This week is the final countdown to our 150th Jubilee Ball at Beau Sejour - a birthday celebration event which has been two years in the planning.

We would like to thank our sponsors for supporting this event, - Specsavers, Ravenscroft Group, Pula Aviation Services Limited, Webster Opticians and both our Junior and Senior School PTAs. We have some great entertainment planned all performed by our talented students, and the evening will close with music from local band Underdog.

We had some volunteer help this week from students Sophie and Thea preparing some of the table decorations- thank you girls!
