This week we consider:

Teamwork

Facebook picture of the week:

Year 11s and Sixth Formers from Les Varendes High School and the Sixth Form Centre, The Ladies' College and Elizabeth College came together to debate various topics around Guernsey's journey to net zero.

This year, the three motions included nuclear power being the most sustainable energy, making laws more effective than people changing habits and charging £10 to park in town will encourage people not to use cars.

It is great to see the next generation of our island speaking so passionately about topics which will impact their futures.

We are so proud of our team for winning this fantastic debate and we can't wait to return next year, which will be hosted at Les Varendes High School and Sixth Form Centre.

The Ladies' College OPEN MORNING

Senior School & Sixth Form

Saturday 23rd September, 10.00 - 12.00

Guided tours from 10.00, Principal's Address at 11.00

Innovative • Dynamic • Empowering
