Dear Parents and Guardians

### Proposed Trip to Spain June 2024

The MFL department would like to offer all girls who have elected to study Spanish GCSE, the opportunity to participate in a linguistic trip, in order to experience the wonders of the fabulous cities of Spain and to practise their language skills in **June 2024: 18/06 to 21/06**

**Important Action Required:** Please can we ask that all Parents and Guardians of students studying GCSE Spanish fill out [this short form](#) before 09/10/23 and proceed to pay the first instalment of £350 if interested.

While the Lower Five will be given priority on this trip, we will invite Upper Five students who studied Spanish as they have not been able to go on school trips during the pandemic, provided there are spaces available.

It should be noted that this is primarily a linguistic trip and should not be considered merely a holiday. It is expected that your daughter will really immerse herself in the language and culture, especially during the visits, and hopefully develop her language skills further.

The cost of the trip will be around £1175 and includes the following:

#### Sample Itinerary

Day 1	Fly from UK to Malaga Coach transfer from Malaga airport to accommodation Evening Meal at accommodation

- UK and GSY departure airport taxes
- Overseas coach transfers (as per itinerary)

**To secure your child's place, we will require a £350 non-refundable deposit, paid either by cheque or bank transfer before 9/10/23.** Could we also ask you to fill [out the following form](#) to proceed as soon as practical.

A further two payments of £412.5 after the deposit will be required once the initial payment has been made, **before 14/12/2023** and another **before 12/03/24**, any late payments may incur a surcharge at your own expense. You are most welcome to pay the whole amount in one instalment if you wish.

The above price is provided on the participation of twenty-one pupils who previously expressed interest. Thus, it may go down if we have more interest, as we may consider making more places available. Alternatively, the price may increase if we have less than 20 students going. The sooner we can have deposits the lower the overall cost will be, but we need to consider the spiralling cost of inflation and currency exchange rates to Euros. As a damage deposit is required, we should be expecting to be able to return some money at the end of the trip.

Payments can be made to the following account, with Name\_Spa24 as a reference.
