

10th October 2023

Dear Parents and Guardians

KS3 Curriculum Presentations

Please find below the link to the presentations from our Curriculum Evening last Wednesday. Unfortunately, on the night, both Mrs Gribbens and Mrs Ingrouille were ill. Mrs Ingrouille will send out information on Learning Support and Inclusion subsequently while we will look forward to Mrs Gribbens talking about Mathematics next year!

[PowerPoint Presentation \(ladiescollege.com\)](https://ladiescollege.com)

Please find below the link to the Form that was referred to, particularly regarding reviewing our parent facing systems. Your feedback is important as we look to put in place a new Management Information System over the next year, including the option for a small group of parents to be part of the review in person.

Finally, teachers are making increasing use over this year of OneNote ClassNotebook and we are moving towards recommending that all students should have a pen compatible with their device. We are able to supply these at cost price and including engraving with your daughter's name for £22. Please complete the Form below to order.
