Purpose of the procedure

This procedure confirms The Ladies' College compliance with JCQ's **General Regulations for Approved Centres** that the centre must:

- have in place and available for inspection a written internal appeals procedure which must cover at least appeals regarding internal assessment decisions, post-result services and appeals, and centre decisions relating to access arrangements and special consideration

This procedure covers appeals relating to:

- Internal assessment decisions (centre assessed marks)
- Centre decisions not to support a clerical re-check, a review of marking, a review of moderation or an appeal
- Centre decisions relating to access arrangements and special consideration
- Centre decisions relating to other administrative issues

Appeals relating to internal assessment decisions (centre assessed marks)

Certain (I)GCSE, GCE and other qualifications contain components of non-examination assessment (or units of coursework) which are internally assessed (marked) by The Ladies' College and internally standardised. The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by the deadline set by the awarding body for external moderation.

This procedure confirms The Ladies' College's compliance with JCQ's **General Regulations for Approved Centres** (section 5.7) that the centre will:

- have in place and be available for inspection purposes, a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates
- before submitting marks to the awarding body, inform candidates of their centre assessed marks and allow a candidate to request a review of the centre's marking

The Ladies' College is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

The Ladies' College ensures that all centre staff follow a robust *Non-examination Assessment Policy* (for the management of GCE and GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments for GCE, GCSE and EPQ including the marking and quality assurance/internal standardisation processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. The Ladies' College is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where more than one subject teacher/tutor is involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the marking standards to his/her marking, then he/she may make use of the appeals procedure below to consider whether to request a review of the centre's marking.

The Ladies' College will:

1. ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body
2. inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of work submitted
3. inform candidates that they may request copies of materials (generally as a minimum, a copy of the marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment
4. having received a request for copies of materials, promptly make them available to the candidate (or for some marked assessment materials, such as art work and recordings, inform the candidate that the originals will be shared under supervised conditions) within 3 calendar days
5. inform candidates they will not be allowed access to original assessment material unless supervised
6. provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision, informing candidates that if their decision is to request a review, they will need to explain what they believe the issue to be
7. provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing within 5 calendar days of receiving copies of the requested materials by completing the **internal appeals form**.
8. allow 5 calendar days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks
9. ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question and has no personal interest in the outcome of the review
10. instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre

11. inform the candidate in writing of the outcome of the review of the centre's marking

The outcome of the review of the centre's marking will be made known to the head of centre who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body. A written record of the review will be kept and made available to the awarding body upon request.

The awarding body will be informed if the centre does not accept the outcome of a review.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

This procedure is informed by the JCQ publications [Instructions for conducting non-examination assessments](#) (section 6.1), [Review of marking \(centre assessed marks\) suggested template for centres](#) and [Notice to Centres - Informing candidates of their centre assessed marks](#)

Appeals relating to centre decisions not to support a clerical re-check, a review of marking, a review of moderation or an appeal

This procedure confirms The Ladies' College's compliance with JCQ's **General Regulations for Approved Centres** (section 5.13) that the centre will:

- have available for inspection purposes and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support an online application for a clerical re-check, a review of marking, a review of moderation or an appeal

Following the issue of results, awarding bodies make post-results services available. For A-level students the details of the post results services and a remark form will be included in their results pack. The fees charge and the deadlines are on the post results services letter. This information is also available on The Ladies' College website under exams.

- For GCE A levels, forms must be submitted to the College at which the student was entered and sat the component(s) that are requesting services for.
- For GCSE students, they will be informed of the process in their examination briefing prior to the start of examinations and signposted to this document on The Ladies' College website and will be advised to
 - wait until the start of term to make contact with their teacher to discuss their grade and to discuss the best RoR option
 - submit a completed remark form to the Examinations Officer with the correct fee

Candidates are also made aware of the arrangements for post-results services prior to the issue of results in a pre-examination briefing. Candidates are also informed of the periods during which senior members of centre staff will be available/accessible immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking. Candidates are made aware/informed about information through examination briefings, email and teams and are also guided to the College website.

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below.

Reviews of Results (RoRs):

- **Service 1 (Clerical re-check)**
Only advised where it is clear from a review of a copy of a script (see below) that an incorrect mark has been awarded as a result of an administrative error.
- **Service 2 (Review of marking)**
Available to anyone who believes that their mark does not reflect their performance in the exam.
- **Priority Service 2 (Review of marking)**
- This service is available for externally assessed components of both unitised and linear GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)
- **Service 3 (Review of moderation)**
This service is not available to an individual candidate

Access to Scripts (ATS):

- Copies of scripts to support reviews of marking – priority or as part of the review of marking process
- Copies of scripts to support teaching and learning

Where a concern is expressed that a particular result may not be accurate, the centre will look at the marks awarded for each component part of the qualification alongside any mark schemes, relevant result reports, grade boundary information etc. when made available by the awarding body to determine if the centre supports any concerns.

For written components that contributed to the final result, the centre will ask the candidate to complete the ECLC Post Results Form and submit this to the Examinations Officer at The Ladies' College or Elizabeth College stating which RoR service they would like to apply for together with the correct fee. The candidate must sign the form to give consent/permission and provide contact details including email so the RoR results can be sent direct to the candidate. In addition the candidate must advise if they would like their returned scripts to be shared with their teachers for review or for teaching purposes only

The Ladies' College will

1. Where a place a university or college is at risk, consider supporting a request for a Priority Service 2 review of marking
2. In all other instances, consider accessing the script by:
 - a) (where the service is made available by the awarding body) requesting a priority copy of the candidate's script to support a review of marking by the awarding body deadline or
 - b) (where the option is made available by the awarding body) viewing the candidate's marked script online to consider if requesting a review of marking is appropriate
3. On access to the script, the Examinations Officer will share it with the candidate and Head of Department to consider if it is felt that the agreed mark scheme has been applied correctly in the original marking and if the centre considers there are any errors in the marking
4. Support a request for the appropriate RoR service (clerical re-check or review of marking) if any error is identified
5. The centre will ask the candidate to complete the ECLC Post Results Form and submit this to the Examinations Officer at The Ladies' College or Elizabeth College stating which RoR service they would like to apply for. The candidate must sign the form to give consent/permission.
6. Where relevant, advise an affected candidate to inform any third party (such as a university or college) that a review of marking has been submitted to an awarding body)

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service 1 or 2 (including priority service 2) is submitted to the awarding body. Consent is required to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded. Candidate consent must only be collected after the publication of results.

For any moderated components that contributed to the final result, the centre will:

- confirm that a review of moderation cannot be undertaken on the work of an individual candidate or the work of candidates not in the original sample submitted for moderation
- consult the moderator's report/feedback to identify any issues raised
- determine if the centre's internally assessed marks have been accepted without change by the awarding body – if this is the case, a RoR service 3 (Review of moderation) will not be available
- determine if there are any grounds to submit a request for a review of moderation for the work of all candidates in the original sample

Where a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking or a review of moderation, the centre will:

- For a review of marking (RoR priority service 2), advise the candidate he/she may request the review by providing informed written consent for this service to the centre by the deadline set by the centre together with the fee
- For a review of marking (RoR service 1 or 2), first advise the candidate to access a copy of his/her script to support a review of marking by providing written permission for the centre to access the script (and any required fee for this service) for the centre to submit this request
- After accessing the script to consider the marking, inform the candidate that if a request for a review of marking (RoR service 1 or 2) is required, this must be submitted by the deadline set by

the centre by providing informed written consent (and the required fee for this service) for the centre to submit this request

- Inform the candidate that a review of moderation (RoR service 3) cannot be requested for the work of an individual candidate or the work of a candidate not in the original sample.

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support a review of results, an internal appeal can be submitted to the centre by completing the **internal appeals form** at least 7 calendar days prior to the internal deadline for submitting a request for a review of results.

The appellant will be informed of the outcome of his/her appeal before the internal deadline for submitting a RoR.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications **Post-Results Services** and **JCQ Appeals Booklet** (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the **JCQ Appeals Booklet**. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within 5 calendar days of the notification of the outcome of the RoR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of the awarding body issuing the outcome of the review of results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

Appeals regarding centre decisions relating to access arrangements and special consideration

This procedure confirms The Ladies' College's compliance with JCQ's **General Regulations for Approved Centres** that the centre will:

- have in place and available for inspection a written internal appeals procedure which must cover at least appeals regarding... centre decisions relating to access arrangements and special consideration

The Ladies' College will:

- comply with the principles and regulations governing access arrangements and special consideration as set out in the JCQ publications **Access Arrangements and Reasonable Adjustments** and **A guide to the special consideration process**
- ensure that all staff who manage and implement access arrangements and special consideration are aware of the requirements and are appropriately supported and resourced

Access arrangements and reasonable adjustments

In accordance with the regulations, The Ladies' College:

- recognises its duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates.
- complies with its responsibilities in identifying, determining and implementing appropriate access arrangements and reasonable adjustments

Failure to comply with the regulations have the potential to constitute malpractice which may impact on a candidate's result(s).

Examples of failure to comply include:

- putting in place access arrangements/adjustments that are not approved
- failing to consider putting in place access arrangements (which may be a failure to comply with the duty to make reasonable adjustments)
- permitting access arrangements/adjustments within the centre which are not supported by appropriate evidence
- charging a fee for providing reasonable adjustments to disabled candidates AARA (Importance of these regulations)

Special consideration

Where The Ladies' College can provide signed evidence to support an application, it will apply for special consideration at the time of the assessment for a candidate who has temporarily experienced illness, injury or some other event outside of their control when the issue or event has had, or is reasonably likely to have had, a material effect on the candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Centre decisions relating to access arrangements, reasonable adjustments and special consideration

This may include The Ladies' College's decision not to make/apply for a specific reasonable adjustment or to apply for special consideration, in circumstances where a candidate does not meet the criteria for, or there is no evidence/insufficient evidence to support the implementation of an access arrangement/ reasonable adjustment or the application of special consideration.

Where The Ladies' College makes a decision in relation to the access arrangement(s), reasonable adjustment(s) or special consideration that apply for a candidate or candidates:

- If a candidate who is the subject of the relevant decision (or the candidate's parent/carer) disagrees with the decision made and reasonably believes that the centre has not complied with its responsibilities or followed due procedures, a written request setting out the grounds for appeal should be submitted

- An **internal appeals form** should be completed and submitted within 5 calendar days of the decision being made known to the appellant.

To determine the outcome of the appeal, the head of centre will consult the respective JCQ publication to confirm the centre has complied with the principles and regulations governing access arrangements and/or special consideration and followed due procedures.

The appellant will be informed of the outcome of the appeal within 5 calendar days of the appeal being received and logged by the centre.

If the appeal is upheld, The Ladies' College will proceed to implement the necessary arrangements/submit the necessary application.

This procedure is informed by the JCQ publications [A guide to the awarding bodies' appeals processes](#) (section 3), [Suspected Malpractice: Policies and Procedures](#) (section 3.3), [General Regulations for Approved Centres](#) (section 5.4), [Access Arrangements and Reasonable Adjustments](#) (Importance of these regulations) and [A guide to the special consideration process](#) (sections 1, 2, 6)

Appeals regarding centre decisions relating to other administrative issues

Circumstances may arise that cause The Ladies' College to make decisions on administrative issues that may affect a candidate's examinations/assessments.

Where The Ladies' College may make a decision that affects a candidate or candidates:

- If a candidate who is the subject of the relevant decision (or the candidate's parent/carer) disagrees with the decision made and reasonably believes that the centre has not complied the regulations or followed due process, a written request setting out the grounds for appeal should be submitted
- An **internal appeals form** should be completed and submitted within 5 calendar days of the decision being made known to the appellant.

The appellant will be informed of the outcome of the appeal within 5 working days of the appeal being received and logged by the centre.
