17th January 2024

Dear Parent(s) / Guardian(s) and students,

We are pleased to invite you to two events this term to support you and your daughters in their future progress and options.

### **Parent' Evening**

The first of these is a parents' evening where teachers can discuss your daughters current progress and future targets. This will take place virtually from 4.30pm to 7.30pm on **Wednesday 24<sup>th</sup> January.** These meetings will take place via 'School Cloud'. We hope that you are familiar with this system from previous years and for your convenience we encourage you to follow the guidance and links below. One benefit of the online meetings is that the queuing element of the in-situ evening is removed. May we remind you that meetings are 4-minute appointments, with a 1-minute break between each appointment and will be automatically ended by the software. Conversations will need to be focussed and, if longer conversations are required, they should be arranged subsequently.

Teachers can spread the in-person two hours over a three-hour period. This gives colleagues the opportunity to schedule a break between appointments, especially where they have large numbers of parents to speak to. This also allows you a spread of time, in the hope that you can speak to those teachers who you want to prioritise for feedback and discussion. We hope this allows for a less 'intense' evening in front of the screen for everyone. Colleagues do have access to a waiting list and can sometimes open additional appointments.

### As parent's / guardian's, you have two options:

1. The system can book appointments in the most efficient way for you based on teacher's availability, (**please edit out the subjects and teachers who you are happy to NOT see**, as this will make it more likely for you and all other parents to see the teachers they want to see). This is particularly important in Upper Four when you may wish to concentrate on Core subjects and those your daughter is most likely to take forward to GCSE.

or

2. You choose to manually book appointments that suit your circumstances.

Please be aware that many teachers teach more than one group and have more than 24 families to see. This would be the normal proceedings in a face-to-face parents evening. Please use the waiting list option if you particularly want to see a member of staff.

If your daughter is currently receiving learning support, it will also be possible to book an appointment with the teacher via school cloud. Should this not appear for any reason, please contact the teacher directly.

Tutors will not be available, other than for subject information, during the evening but can be contacted subsequently if you have any pastoral concerns. If we have any concerns about your child's progress, we will be in contact immediately and not wait for a Parents' Evening.

### What do you need to do in advance of the evening?

Please visit <u>https://ladiescollegegsy.schoolcloud.co.uk</u> to book your appointments. Please see the guide at the end of this letter. If you have any issues with logging in or need support, please contact <u>ithelp@ladiescollege.ac.gg</u>

This link will explain how to participate in the virtual Parents' Evening click here.

## Appointments can be made from Thursday 18<sup>th</sup> January.

You will need to login with your daughter's name and date of birth, and your own contact details. These contact details must be entered exactly as they appear in your Parent Portal App for you to access the system – please check your details first in case of difficulty and feel free to contact it help, using the address above, if you still have issues.

**Please note:** Only one parent has access to make the appointments for the Parents' Evening. However, you can allow another parent or guardian to join the appointment via an email link as per the link above.

*If you have any questions regarding the evening, or more general concerns, as always, please do not hesitate to contact Mrs Gribbens.* 

### (I)GCSE Options Evening Wednesday 7th February 5.30 p.m.

Your daughter has already been looking at careers and how to make choices in her PSHCE lessons and I have been in to speak to each of the groups. Teachers are also speaking to students about studying their subject at (I)GCSE within their lessons.

Options Evening is an in-person event for you to meet the teachers, hear a little more about the subjects at (I)GCSE and to ask any questions that you or your daughters may have. It will take place on Wednesday 7<sup>th</sup> February from 5:30 p.m. Students should attend and are welcome to stay in the library at the end of the College day.

The PTA will be running a uniform sale from 1700.

There will be an initial presentation in the Hall and then the opportunity to attend subject question and answer sessions. We would encourage you to prioritise those subjects that you and your daughter are unsure about, rather than those already decided on.

### **Programme:**

1700 PTA Uniform sale in the Core

### Information provided in advance for you to review and discuss:

(I)GCSE Options Booklet – an outline of the different courses and considerations can be viewed on our website under Our School <u>Senior School</u> <u>The Ladies' College, Guernsey (ladiescollege.com)</u>. The updated Options booklet will be available from the end of the week.

Subject Videos – these are available via a Team your daughter has access to. It is expected that, in most cases, parents / guardians will watch and discuss these with their daughters. We understand this is not always possible and if parents / guardians require separate access they should email <u>hbarnes@ladiescollege.ac.gg</u> with an email address that matches that held on file by The Ladies' College. These will also be available from the end of this week.

Note that the Q&A sessions will assume the above information has been reviewed. Please do prepare any questions that you want to ask in advance.

If you have any other questions, please feel free to speak to me on the night or contact me subsequently if required.

Kind regards,

How Bas.
