Dear Parents and Guardians

The Sixth Form at The Ladies' College is much more than just academic study, it is a 'chocolate box of flavours', full of joyful, diverse, and thoughtful young people. We aim to develop and nurture talents beyond the classroom. It is a chance to gain more freedom but also an opportunity to take on more responsibility. The diversity of opportunities which our students enjoy help develop confidence, curiosity, and resilience. All are key to success both within and beyond college.

In order to ensure you feel confident and prepared to embark on life at Sixth Form we have arranged an afternoon/evening designed to provide insights, teambuilding, and comprehensive information about the Sixth Form experience including further information on Pathways. We understand that transitioning from the Senior School to the Sixth Form can be, for some, a significant step in a student's educational journey, so we hope you will find it useful and most of all, fun!
