This week we consider:

With rights come responsibilities

Facebook pictures of the week:

The annual Thirst Music School 'Battle of the School Bands' has become an established highlight in the Island's musical calendar.

Our students benefit from weekly band mentoring with Thirst and this year, we were proud to be represented by Eleanor, Patty, Charlotte, Macie and Clem, aka The Rubber Band.

They sounded great and impressed the judges with their positive energy, coordination, and stage presence. They are keen to continue playing together, so we are looking forward to future performances.

Well done girls!
