What **£1** a day
does **£1** get you ?

A small cup
of coffee?

A slice
of cake?

... or the opportunity to be part of the legacy of the outstanding education being provided here for your daughter and future generations.

Your contribution, from as little as a **£1 a day**, can make a difference.

£30 a month over 5 years raises £1,800 towards our Phase 3 target.

You can donate to the 'A Gift For Learning' campaign in easy instalments, and at a rate to suit your budget. Complete the standing order gift form on our website.
