

20th June 2018

Dear Lower Sixth Parents,

The College's Alternative Curriculum Week will run from **Friday June 29th to Wednesday July 4th**. The girls in Lower Sixth are busy doing various things both on and off the island at this time of year, so I have tried to work out a programme which works around their other commitments. Please note that a register will be taken each day and attendance is required during ACW as per a normal school week. I shall be asking the girls to complete an online survey to confirm their whereabouts on each day and parents will be asked to confirm any absences indicated on this.

Should you have any questions please do not hesitate to contact me.

Yours sincerely,

James Henderson
Deputy Principal (Enrichment)
