Mon or Tues (13 sessions)

Monday 10th or Tuesday 11th Sept - Monday 10th or Tuesday 11th December

## **MUSIC THEORY CLUB - WEDNESDAY MORNINGS 8-8.30 am**

This popular club open to all girls in the Junior department was originally installed to back up work done in private music lessons but also to help any girl with an interest in improving her music reading ability. Girls work at their own pace through a wide range of material, starting with fun sticker books and progressing to more advanced and graded workbooks. Topics for all are included from time to time and many girls reach a high level of theory understanding. Ms Owen is on hand to answer any questions that crop up and the girls find that this side of music really complements their practical work.

Theory club has been at full capacity since it was introduced so please register early if you would like a space from September. [jean.owen@cwgsy.net](mailto:jean.owen@cwgsy.net)

£55 a term  
£155 if paying for the whole academic year

## **MATHS CLUB - THURSDAY MORNINGS 7.50-8.30 am**

This club is held by Mrs Morris on Thursday mornings before school. We meet in the Hall at 7.50am and do physical Maths games before heading to the Form III classroom or ICT suite for further activities until 8.30am. The emphasis is on having fun and mental Maths activities. Places are limited so will be on a first come first served basis.

Cost £6.00 per session

## **DRAMA CLUB – THURSDAY AND FRIDAY AFTERNOONS 3.45-5.00pm**

The focus in drama club is very much on FUN! Workshops involve drama games, improvisations, dance, singing and, of course, performance. Girls are encouraged to 'have a go' and build their self – confidence in the process. It is also lovely to see the girls working with those of different ages, the older ones often inspiring and encouraging the younger ones. We put on some very informal entertainment for parents twice a year so that the girls experience performing in a supportive setting.

Cost £6.00 per session
