Dear Parent(s)/Guardian(s)

One of the ways we continue to develop as a College is by encouraging feedback from our parents and students on a regular basis.

We are currently looking at student work load and would value your feedback by asking you to complete the homework questionnaire using the link below. This is a short survey made up of 12 questions about you and your daughter's current experience in terms of homework and workload. Your daughter(s) will be invited to complete a separate questionnaire, so please complete this survey separately and from your perspective alone.

The responses will add to a larger piece of work, allowing us to rationalise areas for development, as well as highlighting what your daughter enjoys so that we can ensure we continue to offer her the very best opportunity and maintain excellent academic standards.

To complete the questionnaire please click on the following link.
