Remembering the victims of slavery

We welcomed Emma from 'Be inspired Yoga' to deliver a session on the importance of relaxation to de-stress for the Lower Sixth.

The Lower Four Netball team retained the Travtel Netball Trophy at the annual tournament in Jersey. They won all 7 matches in their group with particularly impressive victories against strong opposition from Le Roquier School and Jersey College for Girls. In the final they held their nerve to beat The Grammar School 7-5 in a really exciting and high quality match.
