

1st March 2019

Dear Parents/Guardians

After the success and feedback received from the previous London and Barcelona art trips, the Art and Photography Department are planning the next educational trip to Amsterdam that will take place from 14th February – 17th February 2020.

The Creative Arts trip will provide students with another excellent opportunity to learn outside of the classroom and to deepen their knowledge and understanding of Art and Design, as well as allowing them to experience and enjoy visual arts in various forms. During the visit there will be opportunities to visit famous landmarks such as Van Gogh Museum, FOAM Photography Museum, MOCO, a Canal Cruise and Rijksmuseum to name a few. The students will have the opportunity to engage with a range of activities within gallery settings and use these to produce personal drawings and studies to support their Art and Design and Photography GCSE and A-Level studies.

We will be having a short meeting for all students interested in attending the trip next academic year, however, at this stage we would like to find out how many students would be interested in this opportunity.

The trip will cost approximately £760, which will include flights, half board accommodation and pricing for all Art based activities that the students will be involved with. If your daughter would like to attend, please use the reply slip below and enclose £200 non-refundable deposit for the trip – payable to The Ladies' College in an envelope labelled 'Amsterdam Art and Design Trip February 2020', by Monday 1st April 2019.

As a department we have no doubt that the students will benefit a great deal from this excursion to Amsterdam and hope that your daughter can be part of this exciting opportunity. Feedback, sketchbook evidence and knowledge from the previously run trips has proven that these creative arts trips benefit the students to gain a broader understanding of not just galleries but vibrant and exciting cities and cultures.

Yours faithfully,

Miss Emma Clements
Head of Art and Design
