As you will know funding from the States of Guernsey has now been secured for the next seven years and, whilst that funding will decrease by half over this time, the Board aims to keep fees accessible to parents and to ensure that the College continues to represent value for money against the highest standard of educational provision.

As always, please do not hesitate to contact the College via the usual channels should you wish to discuss any matters and I thank you for your continuing support of the College.

Yours sincerely

Kate Richards
Chairman of the Board of Governors
